Title: Journal

Author: Nevaeh Sorcafor

Tis been several weeks
since I have come to this
realm. Many I have
asked as of the
whereabouts of my
father. Those that I
asked seemed to not
know of his existence. I
have resided in an Inn
within the quaint city
of Magincia. The
people seem to look
upon me, as though I
have two heads.
Perhaps they may seen
an elf within their
walls. I shall
continue my search. I
just hope that Sharic
is able keep the
kingdom from finding
out that father had
vanished.
